

Community Benefits

Kingwood, Humble

Mode	Description	Highlights
Regional Express Network	IH 69/US 59 NORTH DOWNTOWN TO KINGWOOD DRIVE OFF PEAK DIRECTION DIAMOND LANE	The IH 69/US 59 North off-peak direction diamond lane will provide enhanced regional express service along the corridor. The off-peak diamond lanes will connect Downtown and Kingwood with faster and more reliable travel options and will also support reverse commuter options. The regional express service will connect to the University Corridor Bus Rapid Transit (BRT) line at the Tidwell Transit Center that will provide commuters with connections to UH/TSU, Downtown/ Midtown, Greenway Plaza, Uptown, and Westchase.
Service Enhancements	SERVICE ENHANCEMENTS	System enhancements build upon METRO's New Bus Network by improving service on busy routes and expanding METRO's Frequent Bus Network. These enhancements will improve the connectivity between local routes and major destinations. Community Connectors help expand access to transit in low-density areas. A Community Connector service is proposed for the Aldine-Westfield area. Service enhancements also include Universal Accessibility to improve bus stops, nearby crosswalks and provide ADA-accessible ramps. First/Last Mile improvements will improve access to bus stops and transit centers.
